CDHA (Canadian Dental Hygienists Association)

If you are a member of the GoodLife Fitness Clubs, and you want to cancel your Individual PAP Membership and renew on your company's Key Account Program:

Bring this letter into your current club. A GoodLife employee staff will process the cancellation/transfer of your current membership, and will put "**CDHA Wellness Program**" as reason for cancellation/transfer.

Please return this form, with the lower portion filled out by the GoodLife employee, to your company's Account Administrator (**CDHA, 96 Centrepointe Drive, Ottawa, ON K2G 6B1; fax: 613-224-7283**) so that you may take part in the reduced corporate rate, which is available through your company's Wellness initiative.

It is important to bring this letter in so we can cross reference with the new **CHDA membership** list to substantiate the 3:1 Ratio parameters in our agreement.

Should a GoodLife employee have any questions, please have them contact Theresa Chan at the Corporate & Business Development office, 1-877-FIT-TRIAL.
